

# Flamingo Flyer

2009 Spring season

## Competitively

Wow! What a season!

I can't tell you how amazed I am at this team.

I know our last few weekends may have seemed to be disheartening, but don't get down, we are a fresh and growing DI team giving DI teams a run for their money. That's nothing to be ashamed of. Before you know it, we'll be a DI team travelling further to play (and beat) other DI teams. We've come a long way! We played hard and trained intensely, and boy did we have some fun muddy games doing it!

Congratulations to our girls who were invited to the invitational camp and those that made the All-Stars South team! This is a great honor and can be quite intense both in travelling and playing. Let's support them however we can.

## Administratively

As far as our board goes, We should all be singing their praises. I have a huge list of accomplishments by them this season. I mean, check all this out:

UBEE's has turned out to be a great sponsor for us. We have a great deal with them and everyone seems to enjoy going there. Awesome work Charise!

Prom Dress Rugby was a huge hit with the media and got us tons of press coverage. Click on the picture to see where we were featured. Way to go Pirate and everyone for wearing your dresses with style!

This year's Flip Cup was the biggest to date. Thanks for bringing your teams and volunteering your time. It's really going to help when we are trying to go to Miami this fall. It means less money that you have to pay! Don't forget, We have the ongoing EcoPhone fundraiser too. Every little bit helps! Thanks for putting in all the effort you do Chance!

Also, We wouldn't be anything without our rookies and supporters! Even those who had injuries and couldn't play were dedicated and at nearly every game this year. That's amazing! We took over 15 to every game this season. Let's keep up the great work! We've got folks coming back next season so our numbers will be stronger than ever.

We voted on our bylaws, so we can now apply for our non-profit status! That will make it way easier to get sponsors. Thanks Rachel for all your hard work on that!
